Quante non è possibile
 La malattia di vivere
 E se ti fa soffrire un po' più della tua vita
 E l'unico modo per sopravvivere è
 Più che puoi, più che puoi
 Più che puoi, più che puoi
 Qui che puoi più che puoi
 E non lasciare mai la presa
 Ce n'è una emozione dietro che tu vuoi
 Ce n'è una emozione dietro che tu vuoi
 You've got to dance, be who you feel
 Look a deeper pain, or control heal
 It shows every memory that you
 Keep inside
 I tell you this because I know
 Protect your heart, don't lose your soul
 Cause there's nothing left around you
 There's no place left to go
 You gotta take this life and live it
 All you can, all you can
 All you can, all you can
 'Cause there's one thing
 In this life I understand, ooh
 Siamo noi, siamo noi
 Che abbiamo ancora voglia di stupirci noi
 Bisogna ridere
 Che è la nostra vita
 Quest'ansia
 leggerissima che
 ci tiene in vita
 Di vivere la vita più alta
 Respira profondo
 Apri le tue braccia al mondo
 E abbraccia tutto quello che ci sta
 Tutta l'emozione che ci sta
 All you can, all you can
 You gotta take this life and live it
 All you can, All you can
 And never let it go
 Cause there's one thing in this life I understand, ooh
 Più che puoi, più che puoi
 Afferma questa vita e stringi più che puoi
 Più che puoi
 E non lasciare mai la presa
 Ce n'è una emozione dietro che tu vuoi
 Di vivere la vita
 Più che puoi
